

13 KVA DIESEL GENERATOR

Allcott Hire
All Equipment. All For Hire. All Areas.

Features

- Yanmar diesel engine - Water cooled
- Large fuel tank for extended running
- Three phase power
- Quiet – Super silent sound proof canopy (67db @ 7m)
- Environmentally Friendly – Fully bunded fluids prevents external fuel/oil spillage
- Durable – Robust anti-corrosive powder-coated steel canopy and stainless steel hinges and door latches
- Safety & Security Features - Emergency Stop, Earth leakage protection and lockable panels and doors
- Mobility - Forklift pockets and lifting eye

Super silent, Radiator cooled

The 13.0kVA Himoina Three Phase Series generators are suited to all industries that require a wide range of power applications.

Powered by a powerful Yanmar diesel engine and Stamford alternator and come complete with central lifting hook, lockable panels, weather proof paneling, super silence running, large fuels tanks.

Model Number	HYW13T5
Prime kVA	12.5kva
Standby kVA	13.4kva
Phase	Single & Three
Fuel Type	Diesel
Starting System	Electric Start
Watts (w)	12,500w
Rated Output (w)	10,000w
Alternator Type	Stamford
Amps	18.0amps
Voltage (V)	240v / 415v - 50hz
Voltage Regulation	AVR
15amp outlet single phase	x1
20amp outlet three phase	x1
Over Load Protector	Yes
Engine Make	Yanmar
Engine Type	3TNV88
Engine (kw)	12.3kw
Engine Features	Water cooled, 3 cylinder
Fuel Tank (L)	100L
Running Time (Rated Output)	37hr
Noise Level (dB @ 7m)	67db
Weight (kg)	541kg
Dimensions (LxWxH)	1515x790x1110mm

20 KVA DIESEL GENERATOR

Allcott Hire
All Equipment. All For Hire. All Areas.

Features

- Yanmar diesel engine - Water cooled
- Large fuel tank for extended running
- Three phase power
- Quiet – Super silent sound proof canopy (57db @ 7m)
- Environmentally Friendly – Fully bunded fluids prevents external fuel/oil spillage
- Durable – Robust anti-corrosive powder-coated steel canopy and stainless steel hinges and door latches
- Safety & Security Features - Emergency Stop, Earth leakage protection and lockable panels and doors
- Mobility - Forklift pockets and lifting eye
- Skid Base - Protects base due to frequent use

Super silent, Rental ready

The 20.0kVA Himoina Rental Super Silent Generator is powered by a Yanmar diesel engine and uses a Stamford alternator.

It is designed for the rental industry, with a heavy duty metal skid plates for easy manoeuvrability, central lifting hook, weather proof panels, single and three phase power and a large 100+ litre fuel tank.

Model Number	HRYW20T5
Prime KVA	20.3kva
Standby KVA	22.1kva
Phase	Single & Three
Fuel Type	Diesel
Starting System	Electric Start
Watts (w)	20,300w
Rated Output (w)	16240w
Alternator Type	Stamford
Amps	28.2amps
Voltage (V)	240v / 415v - 50hz
Voltage Regulation	AVR
15amp outlet single phase	x2
20amp outlet three phase	x1
32amp outlet three phase	x1
Over Load Protector	Yes
Engine Make	Yanmar
Engine Type	4TNV84T
Engine (kw)	19.1kw
Engine Features	Water cooled, 4 cylinder, turbo charged
Fuel Tank (L)	100L
Running Time (Rated Output)	24hr
Noise Level (dB @ 7m)	57db
Weight (kg)	892kg
Dimensions (LxWxH)	2150x1060x1328mm
